

Holy Child School, Panchkula
CIR HCS/25-26/15

April 26, 2025

Dear Parents

Greetings from Holy Child School!

In our continuous efforts to promote environmental responsibility and good hygiene practices, we encourage our students to conserve water wherever possible.

To support this, we request you to send a packet of wet wipes/gel sanitizer along with your ward to clean their hands before and after lunch w.e.f. Thursday, May 01, 2025.

Looking forward to your support and kind cooperation.

Sunita Gangahar
Principal
